Junior II	2/5	G. Barton	805420
Henderson I	13/7	S Manson	640922
Henderson II	13/7	I Dow	568330

West End 2009

Dear Member,

Chairman's Letter

Firstly thanks to all who made the 2008 tennis season so memorable for West End. The new courts proved a great success and the opening with Judy Murray was a fitting conclusion to our patience and hard work. The Club welcomed the return of Stewart Reid and his coaching programmes for juniors and adults were, and continue to be, another highlight for the Club. West End also welcomed the University of Dundee's tennis club who have been making use of our courts over the winter months. This has been beneficial to both organisations. At the Club this year there has been more tennis played than in previous years and of a higher standard, as witnessed at the Club Championships. Even over the winter months, with the introduction of the floodlights, many have been enjoying the new facilities but I'm sure we all await those warm balmy days and playing in the sunshine. Finally the new season starts 1st April and gate code will be changed 18th April.

Have fun and enjoy your season!

Norrie (Chairman)
