West End 2010

Dear Member,

Well done, 2009 was another great season for West End.

The new courts and floodlights continue to be popular and we have seen an increase in our membership.

The Club's Committee has seen a number of new members join to help out with the running of the Club. This is very encouraging and puts the Club in a good position for the future. Check the website for contact details of all the Committee members.

The Club welcomed the return of Stewart Reid and Craig Barr. Their coaching programmes for juniors and adults continue to be a highlight for the Club.

In response to demand, something new for 2010 will be Sunday Social Tennis to encourage members to come along and mix. This will be organised by Stewart Reid and starts Sunday 18th April 2pm -4pm. Ron Harris will also be arranging Friday evening sessions, again to allow members more opportunity to play.

West End also welcomes the University of Abertay's Tennis Club whose members have joined West End and made good use of the courts over the winter months.

At the Club there has been more tennis played than in previous years. The teams did especially well this year with promotions and the gents won the local National League.

The club held a Fund Raising Curry Evening in February. This was well supported and provided an ideal opportunity to meet other members. Further social events such as a Quiz night are being planned – so watch the website for more information!

The Club wishes you a very enjoyable season.
